SWITCH IT[®]

*Re-Décorate Without Re-Modeling
One Lamp, Infinite Looks*

SWITCH-IT®

Our patent pending lamp base is made of custom cast steel with brushed nickel finish. An integrated dimmer switch. Tapered stem, which gives it what I like to call a traditional design with a modern twist. A classic look for any home style

Lamp shades are, of course, tailor made for your Switch-IT® base. Designed slightly larger for a more contemporary feel, Switch-IT® shades are uniquely designed to be used over and over again. Roll on, roll off, or roll up and put away. Our shades are made to last.

Not to be outdone by our lamp, we continued the same quality and care into our pillow sets. Each pillow is fully lined with 100% cotton casing, corner to corner hidden zipper, fully washable for easy care. The perfect match to complete your Switch-IT® set.

ABOUT

GALREDESIGNS®

GALredesigns® was born in memory of our fur babies, Gina, Audrey and Louie. They loved design as much as we do.

ABOUT

SWITCH-IT®

Switch-IT® consists of lamp bases, shades and pillow covers designed to make home décor and re-décor fun, easy and never boring.

We only use the highest quality fabrics and materials to build our products. Our goal is to inspire personal creativity and individual style.
